

THE COMPREHENSIVE ZONING BY-LAW FOR THE MUNICIPALITY OF HIGHLANDS EAST

BY-LAW No. 2005-29

Originally Approved by Council on June 14, 2005
Housekeeping Amendment and Consolidation
Approved by Council
June 6, 2018

**EXPLANATORY NOTE TO BY-LAW NO. 2005-29
OF THE MUNICIPALITY OF HIGHLANDS EAST**

Lands Affected:

By-law No. 2005-29 is a Comprehensive Zoning By-law that applies to all of the lands within the geographic limits of the Municipality of Highlands East. For this reason, no key map is attached to this notice.

Purpose and Effect:

By-law No. 2005-29 is intended to regulate the use of all lands, buildings and structures within the Township.

This By-law permits and regulates the use of land as shown on Schedule 'A', 'B' and 'C' to the Zoning By-law. Uses that legally existed prior to the date of adoption of this By-law will be permitted to continue. Any new use not specifically permitted by the By-law is prohibited. New development occurring after this By-law comes into effect must comply with the regulations set out in the By-law.

CORPORATION OF THE MUNICIPALITY OF HIGHLANDS EAST

BY-LAW NO. 2005-29

**A By-law to regulate the use of land and the character,
location and use of buildings or structures
in the Municipality of Highlands East.**

WHEREAS the Councils of the former geographic Townships of Cardiff, Bicroft and Monmouth and Glamorgan which now comprise the Corporation of the Municipality of Highlands East had passed By-laws to regulate the use of land and the character, location and use of buildings or structures in the former Townships of

AND WHEREAS the Council of the Corporation of the Municipality of Highlands East now deems it desirable and in the public interest to rescind Comprehensive Zoning By-laws 87-7, 22-97, 78-5 and 87-23 and all Amendments thereto, and enact a new Comprehensive Zoning By-law under Section 34 of the Planning Act, R.S.O. 1990, which will serve to regulate the use of the land and the character, location and size of buildings and structures within the boundaries of the Municipality of Highlands East;

NOW THEREFORE the Council of the Corporation of the Municipality of Highlands East enacts a By-law as follows:

SECTION 5 DEFINITIONS		104

SCHEDULES

SCHEDULE A – MAPS 1 TO 13

SECTION 1 ADMINISTRATION

1.1 TITLE

This By-law may be referred to as "The Zoning By-law for the Municipality of Highlands East".

1.2 AREA AFFECTED BY THIS BY-LAW

This By-law applies to all lands within the geographic Municipality of Highlands East which shall include all lands covered by water and the surface of waterbodies.

1.3 BUILDING PERMITS

The requirements of the By-law must be met before a Building Permit is issued by the Municipality for the erection or alteration of any building or structure.

1.4 ENFORCEMENT

Any person convicted of a violation of this By-law is liable, at the discretion of the convicting Justice, on first conviction to a fine of not more than \$25,000 and on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

1.5 SEVERABILITY PROVISION

A decision of a Court stating that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 REPEAL OF EXISTING BY-LAWS

Upon this By-law coming into effect the following By-laws and all Amendments thereto are hereby repealed: By-law 87-7 (Monmouth), By-law 22-97 (Cardiff), By-law 78-5 (Bicroft) and By-law 87-23 (Glamorgan).

1.7 EFFECTIVE DATE

This By-law shall come into force the day that it was passed in accordance with the provisions of the Planning Act.

1.8 REFERENCE TO LEGISLATION

Where this Zoning By-law makes reference to legislation, then the references shall be deemed to mean that as presently existing, or as amended, replaced or re-enacted, from time-to-time by the Province, and shall be deemed to include, in addition to the statute itself, all regulations passed thereunder.

1.9 MINOR VARIANCES

Where a minor variance has been granted from any of the former Zoning By-laws such prior variance is deemed to be in force and effect despite Section 1.6.

1.10 CROWN LAND

The provisions of this By-law shall be binding upon individuals using Crown lands, but shall not be binding on the Crown or its agents.

SECTION 2 ESTABLISHMENT OF ZONES

2.1 ZONES

For the purpose of this By-law the following zones are established and they may be referred to by the name or by the symbol set opposite the name of the zone as indicated below:

R1	General Residential
R2	Hamlet Residential
R3	Medium Density Residential
SR1	Shoreline Residential One
SR2	Shoreline Residential Two
LSR	Limited Service Residential

CT	Tourist Commercial
CH	Highway Commercial
M1	Heavy Industrial
M2	General Industrial
MX	Extractive Industrial
MD	Disposal Industrial
I	Institutional
RU	Rural
OSC	Open Space Conservation
OSR	Open Space Recreation
EP	Environmental Protection
L	Lake
HZ	Hazard

2.2 ZONE SCHEDULES

The zones and zone boundaries are shown on Schedule A, Maps 1 to 13 which form part of this By-law.

2.3 DETERMINING ZONE BOUNDARIES

- a) A zone boundary which is shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or road.
- b) A zone boundary shown approximately at the centre line of a street or lane is considered to be the centre line of the street or road.

- c) Unless the location of a zone boundary is specified by dimensions on the zoning map, a zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.
- d) A zone boundary shown following approximately a shoreline or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moved with any natural changes to the waterbody or watercourse.
- e) All lands below the surface of a navigable waterbody or watercourse shall be deemed to be in the Lake (L) Zone.

2.4 COMPLIANCE WITH ZONING BY-LAW

No person shall change the use of any building, structure or lot or erect or use any building or structure or use or occupy any lot or building in whole or in part, except in conformity with the provisions of this By-law.

SECTION 3 GENERAL PROVISIONS

3.1 ACCESSORY BUILDINGS, STRUCTURES AND USES

a) Permitted Uses

Where this By-law provides that a lot may be used and a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use provided that a valid building permit for the principal use is issued or that the principal building, structure or use has already legally been established on the lot.

Accessory buildings shall not be used for:

- i) any occupation for gain or profit conducted within or accessory to a dwelling unit or lot except as specifically permitted in accordance with this By-law; or
- ii) human habitation except where specifically permitted by this By-law.

b) Setback Requirements

Except as otherwise provided by this By-law, any accessory building or structure shall comply with the yard requirement of the zone within which it is located. This provision shall not apply to prevent the construction of docks or marine rail facilities as may otherwise be permitted in this By-law.

All detached structures shall maintain a minimum physical separation of 1.2 metres from any other detached structure.

c) Lot Coverage and Height

The total lot coverage of all accessory buildings and structures, excluding decks and swimming pools, shall not exceed 5 per cent of the lot area nor shall the height of any accessory building or structure exceed 5.5 metres measured from finished grade to peak and no more than 1 storey unless otherwise authorized through another regulation in this By-law.

For the purpose of this provision, building height shall be measured from finished grade to the highest point of the roof and in no case shall a roof accommodate a deck or other amenity space.

d) Marine Facilities

Notwithstanding the yard provisions of this By-law to the contrary, one marine facility, which includes a boat launching ramp or a dock may be erected and used in any yard, or pertaining to a lot abutting on a navigable waterway, provided such ancillary structure is located no closer than 4.5 metres to the side lot line or the 90 degree projection of the side lot line into the waterbody where it meets the tangent of the front lot line at the shoreline.

The maximum projection for a marine facility, boat dock or launching ramp from the high water mark shall be the lesser of 15 metres or 20% of the width of a channel or bay on which the lot has shoreline frontage.

e) Boathouses

Neither a wet or dryland boathouse is a permitted use in any Zone. An existing wet or dryland boathouse may be reconstructed or replaced in its current location but shall not be enlarged in ground floor area or total floor area nor shall the height of the reconstructed or replacement structure be higher than the existing boathouse.

f) Garages or Other Detached Accessory Buildings or Structures

Notwithstanding the yard and setback provisions of this By-law to the contrary, a detached private garage or other accessory building or structure may be only erected and used in an interior side or rear yard, provided that:

i) Interior Side Yard

Where such accessory building or structure is located in an interior side yard, it shall not be closer than 2.0 metres to the interior side lot line.

ii) Rear Yard

Where such accessory building or structure is located in a rear yard, it shall not be closer than 2.0 metres to the rear lot line except, where the rear lot line abuts a municipally maintained road or County or Provincial Road, it shall not be closer than 10 metres to the rear lot line.

iii) Commercial and Industrial Zones

Notwithstanding the foregoing provisions, no building or structure accessory to a use in the Commercial or Industrial zone shall be erected closer than 4.5 metres to an interior side or rear lot line.

iv) Shoreline – Front Yard

Within the SR1, LSR and S Zones detached accessory buildings and structures shall not be permitted in the front yard, unless otherwise specified in this By-law.

v) Shoreline and Settlements – Maximum Total Floor Area

Within the SR1, SR2, LSR, S, R1, R2 and R3 Zones, the maximum total floor area of any detached garage, workshop, storage building or like structure, shall be 70 square metres. This maximum shall include any floor area utilized as a storage loft.

vi) Rural Zone

Notwithstanding Section 3.1 f), in the Rural (RU) Zone, a detached garage, workshop, storage building or other like structure shall be permitted in the front yard provided the maximum floor area of the structure does not exceed 100 square metres, including any floor area utilized for a storage loft, and provided the lot has a minimum area of 2.0 hectares.

g) Decks, Steps, Stairways, Porches, Balconies or Patios

i) Notwithstanding the yard and setback provisions of this By-law to the contrary, decks, attached steps, porches, balconies and patios may project into any required yard or setback a maximum distance of 1.0 metre.

ii) Notwithstanding (i), the minimum setback for a deck, patio, balcony or porch from the High Water Mark shall be 20 metres, however, one stairway may be constructed in this minimum setback provided the width of the stairway is no greater than 1.5 metres.

iii) Screened in porches, decks, patios or balconies may be permitted subject to the provisions above and provided the total floor area of the screened in porch, deck, patio or balcony does not exceed 15m².

h) Gazebos, Trellises and Detached Decks

Notwithstanding the yard and setback requirements of the By-law to the contrary, a gazebo, trellis and detached deck may be permitted in the front yard of a lot which abuts a waterbody or shore road allowance provided that:

i) the maximum floor area is 15 metres;

- ii) the minimum setback from the high water mark for a gazebo or trellis shall be 4.0 metres, whereas a detached deck may be constructed at the high water mark;
- iii) the structures comply with all other zone regulations and setback provisions;
- iv) the maximum height of a gazebo or trellis shall be 3.0 metres and the maximum height above grade for a detached deck shall be 0.3 metres.

For the purpose of this provision, a gazebo or trellis shall not be constructed on a marine facility nor shall a gazebo or trellis be an accessory use to a marine facility. Furthermore, no structure shall be permitted on a shore road allowance unless the shore road allowance is held in the same ownership as the abutting, upland parcel.

i) Guest Cabins

Notwithstanding any other provision of this By-law to the contrary, a guest cabin is permitted on a lot in the SR1, LSR, S or SR2 Zones provided that:

- a) no kitchen or cooking facilities are located in the building;
- b) plumbing facilities for a bathroom may be permitted provided the plumbing is connected to the same septic system as the dwelling and the septic system is authorized to be connected to the guest cabin;
- c) the total floor area does not exceed 25 square metres including any attached deck or balcony;
- d) the lot has a minimum area of 0.5 hectares;
- e) the building consists of a single storey and the height of the building does not exceed 5 metres measured from finished grade to roof peak; and,
- f) the building complies with all of the setbacks that apply to the principal building on the lot and is located behind any lake facing wall of the principle dwelling.

j) Sea Containers

Sea containers shall be a permitted accessory structure in the I, GC1, GC2, CH, RU, M1, M2 or MX Zones provided the sea container maintains a minimum 30 metre setback from the front lot line, is compliant with the rear and side yard setbacks for the respective zone and is located behind the rear wall of the principle dwelling or structure. A sea container is not permitted on a vacant lot with the exception of the MX Zone.

3.2 ANTENNAE, TOWERS AND WIND TURBINES

Radio and television antennae, towers and wind turbines which are accessory to a permitted use and are less than 10 metres in height are permitted in any zone provided they meet the minimum requirements of the zone in which they exist and are not located in any front yard or exterior side yard.

3.2A TELECOMMUNICATIONS TOWERS

Telecommunications towers and accessory housing and infrastructure are permitted in all zones with the exception of the EP, L, S, HZ and OSC Zones.

3.3 BUFFER STRIPS

Where a buffer strip is required in any zone, it shall be located within that zone and shall be the minimum width as specified in the regulations for that zone. It shall not form part of any required landscaped open space or yard requirement. Within required buffer areas, a solid and continuous landscape screen shall be planted and maintained. The landscaping shall consist of such species so as to continually restrict a clear view beyond such buffer strip.

3.4 CONSTRUCTION USES

A tool shed, not exceeding 10 square metres, construction trailer, sea container, scaffold or other building or structure incidental to construction is temporarily permitted in all areas within the Municipality on the same lot as the worksite and only for as long as it is necessary to complete the work in progress or the worksite is abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 120 consecutive days or the failure to maintain a current building permit.

3.5 DWELLING UNITS ON A LOT

Unless permitted elsewhere in this By-law, no more than one dwelling unit shall be permitted on a lot.

3.6 ENCROACHMENTS IN REQUIRED YARDS

Architectural features such as sills, belt courses, cornices, drop awnings, eaves or gutters, chimney breasts, pilasters, roof overhangs, cantilevered window bays and other like features may encroach into any required yard a distance of no more than 0.6 metres.

3.7 ENVIRONMENTAL PROTECTION AREA

Lands zoned Environmental Protection (EP) may be included in the calculation of lot area and yard requirements except that, lands below the normal or maintained

high water mark shall not be included as part of the lot area. Setback requirements in this By-law shall be measured from the limit of the normal or maintained high water mark.

3.8 ENVIRONMENTAL PROTECTION AREA – SETBACK

No building or structure shall be constructed within 20 metres from any Environmental Protection (EP) Zone boundary.

3.9 FRONTAGE ON IMPROVED PUBLIC ROAD, PRIVATE ROAD OR NAVIGABLE WATERWAY

a) Improved Public Road

No person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has direct access to or abuts an improved public road.

The above provisions shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a Subdivision Agreement has been entered into with the Municipality, notwithstanding that the road or roads will not be assumed by the Municipality until the end of the maintenance period. This provision shall not prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure, which is located on a lot which does not have direct access to or abuts an improved public road, provided the use of such building or structure does not change, is permissible within the Zone in which it is located and complies with all applicable yard and setback requirements if this By-law.

b) Frontage on Private Road or Right-of-Way

Notwithstanding the provision in 3.8 (a) where an existing lot of record has direct access to or abuts a private road or private right-of-way, a use, building or structure shall be permitted on such lot, in accordance with the applicable provisions of this By-law provided such lot and private road or private right-of-way existed as of the date of passing of this By-law.

c) Navigable Waterway

Notwithstanding the provisions of 3.8 (a) and (b) where an existing lot of record is only accessible by a navigable waterway, such lot may be used in accordance with the provisions of the applicable Zone category.

- d) Hunt Camps

Notwithstanding the provisions of 3.8 (a) and (b), an existing Hunt Camp shall be permitted if it is located on a lot which has access onto an unimproved municipal road allowance or a private road but does not have access on a maintained municipal road.

3.10 HEIGHT EXCEPTIONS

Notwithstanding the height provisions of this By-law to the contrary, nothing in this By-law shall apply to prevent the erection, alteration, or use of an agricultural building or silo, a church spire, a belfry, a flag pole, a clock tower, a chimney, a water tank, an air conditioner duct, a grain elevator, incidental equipment required for processing, external equipment associated with internal equipment or machinery and conveying equipment, which exceeds the maximum height requirements provided the main or principal use is permitted within the Zone in which it is located and provided all other applicable provisions of this By-law are complied with.

3.11 HOME OCCUPATION

Where a Home Occupation is a permitted use the following regulations shall apply:

- a) No person, other than a person living on the premises, shall be engaged in the occupation of providing merchandise and/or services to customers with the exception of one employee;
- b) There shall be no display, other than a sign having a maximum area of 0.5 square metres, to indicate that any part of the dwelling is being used for a purpose other than residential use.
- c) There shall be no goods, wares, or merchandise offered for sale or rent from the dwelling which are not manufactured or processed on the premises. The retailing of products not manufactured or processed on the property is prohibited;
- d) Not more than 25 per cent of the gross floor area of the dwelling shall be used for the purposes of home occupation, and such home occupation shall be conducted entirely within the dwelling;
- e) There shall be no outside animal enclosures or external storage of goods or materials in conjunction with the home occupation use; and,
- f) A home occupation shall not include a boarding or lodging house, an eating establishment, or a group home, but may include a bed and

breakfast establishment or a day nursery except in the LSR, SR1, SR2 and S Zones.

3.12 HOME INDUSTRY

Where a Home Industry is a permitted use the following provisions shall apply:

- a) A maximum of three (3) persons may be engaged in the home industry;
- b) A home industry may be located in part of a dwelling, or in any detached accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the home industry does not exceed 150 square metres;
- c) There shall be no outside storage of goods, raw materials, machines or articles, except for display purposes;
- d) Notwithstanding Section 3.12 (c), a maximum of two currently licensed motor vehicles associated with the home industry may be parked or stored on the lot but only within an interior side or rear yard and such parking must comply with the setback requirements of the main dwelling;
- e) There shall be no emission of noise, odour or dust which is not normally attributed to the use of the land for residential uses; and,
- f) A home industry shall be clearly secondary and incidental to the main residential use and shall not change the residential character of the dwelling on the lot.

3.13 MINIMUM DWELLING UNIT SIZE

No dwelling unit shall have a ground floor area of less than 45m² unless specifically provided for by this By-law.

3.14 MINIMUM DISTANCE SEPARATION

No agricultural building shall be constructed in the Rural Zone which does not conform to the MDSII Formula.

3.15 MINIMUM OPENING ELEVATION – PAUDASH LAKE

On lots abutting Paudash Lake, no opening to a dwelling or addition to a dwelling which increases the floor area of the dwelling shall have an opening less than the minimum elevation of 342.8 CGD.

3.16 MOBILE HOMES/MODULAR HOMES

Mobile homes and modular homes may be used as dwelling units where they meet the following requirements:

- a) The structure must be constructed to C.S.A. Standard Z240 (mobile home) or A-277 (modular dwelling) and in accordance with the Ontario Building Code;
- b) The structure is located on a permanent foundation and is compliant with Ontario Building Code requirements;
- c) The structure shall have a minimum ground floor area of 65 square metres;
- d) The structure shall have a minimum width of 6 metres
- e) The structure shall be completely enclosed from the surface of the finished grade to the roof; and,
- e) The structure shall be fully serviced with running water, electricity and a private septic system approved in accordance with OBC standards.

Building permits are required for the placement of a mobile home or modular home on any lands.

3.17 MOTOR VEHICLES AND ABANDONED EQUIPMENT

Unless otherwise permitted in this By-law, unused or derelict motor vehicles, farm implements and similar abandoned equipment shall not be located or stored on any lot on any zone, except that a maximum of two unused motor vehicles may be stored in a Rural (RU) Zone in such a manner that they are not visible from the street or from abutting lots.

3.18 MULTIPLE USES ON ONE LOT

Where any land, building or structure is used for more than one permitted use, the applicable Zone Provisions of this By-law which serve to regulate each such use shall be complied with.

3.19 MULTIPLE ZONES ON ONE LOT

Where a lot is divided into more than one Zone under the provisions of this By-law, each applicably zoned portion of the lot shall be used in accordance with the Zone provisions of this By-law as if it were a separate lot.

3.20 NATURAL VEGETATION AREA - SHORELINE

Where natural vegetation exists on a shoreline lot, the use of this lot shall not result in the removal of more than 30% of such natural vegetation in the required front yard setback from the high water mark for the purpose of establishing access to or a view of the waterfront.

3.21 NON-COMPLYING LOTS, BUILDINGS AND STRUCTURES

a) Expansion of Legal Non-Complying Buildings and Structures

Where a building or structure has been lawfully erected on a lot having less than the minimum frontage and/or area, or having less than the minimum setback, and/or yard or any other provision required in this By-law, the said building or structure shall be deemed to comply with this By-law with respect to any deficiency or deficiencies; and further the said building or structure may be reconstructed, replaced or renovated provided that:

- (i) The, reconstruction, replacement or renovation does not further reduce such setback and or front yard and/or side yard and/or rear yard having less than the minimum required by this By-law; and,
- (ii) All other provisions of this By-law are complied with.
- (iii) Notwithstanding subsection a) (i) and (ii), a legal non-complying dwelling unit including any attached deck, which is located, in whole or in part, within 10 metres of the high water mark, may expand its ground floor area by no more than 25% of the ground floor area of the dwelling which existed on the date this By-law was passed, within the required shoreline setback, provided the enlargement does not cause the existing shoreline setback to be further reduced, nor increase the height of the existing structure by more than 1.2 metres, and provided the expansion is compliant with all other provisions of this By-law.
- (iv) Notwithstanding subsection a) (i) and (ii), a legal non-complying dwelling unit including any detached deck, which is located in the shoreline setback but is greater than 10 metres from the high water mark, may expand its ground floor area by no more than 40% of the ground floor area of the dwelling which existed on the date this By-law was passed, within the required shoreline setback, provided the enlargement does not cause the existing shoreline setback to be further reduced, nor increase the height of the existing structure by more than 1.2 metres and provided the expansion is compliant with all other provisions of this By-law.

- (v) The expansion of other non-compliant detached structures located in the required shoreline setback shall not be permitted, except by amendment or variance to this By-law.
- (vi) Sub-sections (iii), (iv) and (v) shall also apply to the construction of a replacement dwelling provided the new dwelling is substantially located within the existing disturbed area of the lot and the replacement dwelling achieves a greater shoreline setback than the existing legal non-compliant dwelling.
- (vii) The expansion provisions provided in sub-section (iii), (iv) or (v) may be allocated in whole or in part to the expansion or establishment of an attached deck, patio or balcony. However, the floor area of such structures shall not be used in the determination of the existing ground floor area of a legal non-compliant dwelling.
- (viii) In addition to the provisions noted above, the lateral expansion of any dwelling in the required shoreline setback shall not exceed 40% of the frontage of the lot to a maximum of 18 metres.

b) Existing Undersized Lots

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority or correction of title, such smaller lot may be used and a permitted building or structure may be erected and/or used on such a smaller lot provided that all other applicable provisions of this By-law are complied with and provided that a sewage system that complies with the regulations under Building Code can be installed on the lands.

c) Undersized Lots Resulting From Boundary Adjustment or Lot Addition

Lots which have been increased in frontage or area following adoption of this By-law as a result of a Planning Act approval, but still do not comply with minimum area or frontage requirements of this By-law, may also be used in accordance with Sub-section (b) and furthermore no zoning amendment shall be necessary to legalize the undersized lot.

d) Undersized Lots Subject to Expropriation or Transfer to Public Authority or Private Road Association

Existing undersized lots which have been decreased in frontage or area following adoption of this By-law as a result of an expropriation by public authority or transfer of land to a private road association, but still do not

comply with minimum area or frontage requirements of this By-law, may also be used in accordance with Sub-section (b) and furthermore no zoning amendment shall be necessary to legalize the undersized lot.

3.22 LEGAL NON-CONFORMING USES

a) Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was lawfully used for such purposes prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose.

b) Exterior Extension

The exterior of any building or structure which was lawfully used prior to the effective date of this By-law for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone unless these changes are necessary to provide for flood proofing or insulation of the building.

c) Interior Alteration

The interior of any building or structure which was lawfully used, prior to the effective date of the By-law, for a purpose not permissible within the Zone in which it is located, may be reconstructed, renovated or structurally altered for the existing purpose for which such building or structure was lawfully used.

d) Restoration

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, lawful use of such existing building or structure or unless these changes are necessary to provide for flood proofing or insulation of the building.

e) Re-establishment of Existing Building and Structures

Nothing in this By-law shall apply to prevent the re-establishment of any existing utilized non-conforming or non-complying building or structure which is damaged by causes beyond the control of the owner, other than flooding, provided a building permit is issued for the re-establishment of

the building or structure within 8 months of the incident which rendered the building or structure unsafe or unusable. The building or structure may be re-established in the same location on which it existed on the date of passage of this By-law, but the extent of non-conformity or non-compliance may not be further increased.

Buildings, structures or uses damaged or destroyed as the result of natural flooding shall not be re-established or reconstructed except in accordance with the provisions of this By-law.

f) Boathouses

Notwithstanding, items a) to e), no existing dryland or wet boathouse may be increased in floor area or height or structurally altered to create new or larger doorways or openings for the purpose of accommodating the storage of vessels.

g) Building Permit Issued

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law for which the footings or foundations have been constructed prior to the passing of this By-law, so long as the building or structure, is substantially completed within one year after the date of the passing of this By-law and a building permit is issued by the Chief Building Official.

h) Effective Date of Original Comprehensive Zoning By-laws

The effective date of Original Comprehensive Zoning By-laws is as follows:

Cardiff	December 31, 1979
Bicroft	December 19, 1978
Glamorgan	June 21, 1979
Monmouth	June 29, 1987

3.23 OBNOXIOUS AND HAZARDOUS USES

Unless otherwise specifically permitted in this By-law, no land shall be used and no building or structure shall be erected, altered or used for any purpose which is obnoxious or for any purpose that creates or is likely to become a nuisance or hazardous, or both:

- a) By the creation of noise or vibration; or,
- b) By reason of the emission of gas, fumes, smoke, dust or objectionable odour except in the case of agricultural uses operating in compliance with the Farming and Food Production and Protection Act; or,

- c) By reason of the unsightly or hazardous storage of goods, substances, wares, merchandise, salvage, refuse matter, motor vehicles, trailers or parts of vehicles or trailers, machinery or other such material; or,
- d) By any combination of these things described in clauses (a), (b), (c) of this subsection.

3.24 OUTDOOR STORAGE

No portion of a lot shall be used for the outdoor storage of goods or materials unless such storage is within a building, or unless the following provisions are complied with:

- a) such outdoor storage is accessory to the use of the main building on the lot;
- b) outdoor storage is behind the front or exterior wall of the main building facing any street or shoreline, and complies with all yard requirements for the main dwelling or use of the lot;
- c) such outdoor storage does not cover more than 15 percent of the lot area; and,
- d) any portion of a lot used for outdoor storage is screened from adjacent uses and streets adjoining the lot, by a building, planting strip, and/or fence.

3.25 PARKING AREA REGULATIONS

- a) Parking Space Requirements

Parking spaces and areas are required under this By-law, in accordance with Table 1, the Parking Space Requirement Table. The owner of every building or structure erected or used for any of the purposes listed shall provide and maintain parking spaces and areas accordingly.

If any computation of parking space requirement as set forth in this section results in a number containing a fraction above 0.25, that remaining fraction shall be counted as one parking space.

- b) Parking Area Surface

Parking spaces, areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust. Such parking spaces or areas shall, before being used, be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

c) Ingress and Egress Provisions

- i) ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3.0 metres but not more than 12.0 metres in perpendicular width;
- ii) the maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9.0 metres;
- iii) the minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 8.0 metres; and
- iv) the minimum angle of intersection between a driveway and a street line shall be 60 degrees.

d) More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

e) Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback.

f) Additions To, or Changes In, the Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any existing building or structure so long as the gross floor area is not increased. If any addition is made to a building or structure which increases its gross floor area, parking spaces for the addition shall be provided as required by Table 1, the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of the Parking Space Requirement Table.

The provision of this paragraph shall not apply to require the establishment of parking spaces for a dwelling which existed at the date of passing of this By-law.

g) Use of Parking Spaces and Areas

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operation incidental to the permitted uses on the lot.

h) Winter Use

If the parking area is required to be used in the winter, an additional area equal to 20% of the required area shall be provided for snow storage.

3.26 PITS, QUARRIES AND PEAT EXTRACTION

The establishment or operation of pits or quarries and the extraction of peat is prohibited, except in the locations permitted by this By-law, in accordance with the provisions and regulations of this By-law. No person shall use or occupy land or erect any building or structure or conduct any activity on land for the purpose of processing, washing, screening, sorting or crushing of rock, sand, gravel, or peat except as expressly provided for in this By-law and/or by Ministry License.

3.27 PUBLIC USES

a) Public Services

The provisions of this By-law shall not apply to prohibit the use of any lot or the erection or use of any building or structure for the purposes of public uses provided by the Municipality, or any Public Authority including any Department or Ministry of the Government of Canada or Ontario and, for the purposes of this Section, shall include Hydro One, any telephone, telegraph or cable TV company and any natural gas distribution system operated by a Company distributing gas to the residents of the Municipality, which company possesses all the necessary powers, rights, licenses and franchises.

b) Location Restrictions

Notwithstanding any other provision contained in this By-law to the contrary, where a public use is only permitted within a specific Zone classification, then such public use shall only be permitted within that Zone or Zones and shall comply with the Zone Provisions of the Zone or Zones in which the public use is permitted, save and except that there shall be no minimum lot area or lot frontage requirement. This provision does not apply to Crown Agencies.

c) Provisions

- i) no goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law; and

- ii) no building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot.
- d) Streets and Installations

Nothing in this By-law shall prevent a public authority from providing or using land as a street nor prevent the installation of a utility main including a water main, sanitary sewer, storm sewer, gas main, pipeline or overhead or underground hydro, telephone or other utility supply or communication line.

3.28 REDUCTION OF REQUIREMENTS

No person shall change the purpose for which any land, building or structure is used or erect any building, or structure, or construct an addition to any existing building or structure, or sever any lot, if the effect of such action is to cause the original adjoining, remaining or new building, structure or lot to be in contravention with this By-law.

3.29 RESTRICTIONS ON DWELLING UNITS IN NON-RESIDENTIAL BUILDINGS

Notwithstanding any other provision of this By-law to the contrary, no dwelling unit shall be located within a portion of a non-residential building which has flammable fluids or chemical agents stored in bulk for commercial purposes, in conjunction therewith, and without limiting the generality of the foregoing, a dwelling unit shall not be permitted within a motor vehicle service station, a motor vehicle repair garage, a marina, a motor vehicle body shop or a marine sales and service shop.

3.30 SETBACK FROM RIVERS AND STREAMS

No building shall be located within 20 metres of any river, stream, creek or watercourse. This provision does not apply to a roadside drainage ditch.

3.31 SETBACK FROM HIGH WATER MARK

No building or structure, including septic systems, shall be located within 20 metres (66 feet) of the normal or maintained high water mark of any lake, river, stream or other watercourse. This provision shall not apply to docks, marine facilities, pumphouses, bridges, flood control devices or other like facilities.

3.32 SETBACKS FROM WASTE DISPOSAL AREAS

No use shall be permitted located within 500 metres of a licensed Waste Disposal Fill Area or 100 metres from a Sewage Lagoon or Sewage Treatment Facility licensed by the Ministry of Environment.

3.33 SIGNS

The provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-laws of the Municipality including the specific sign provisions for home occupations and home industries as provided in this By-law.

3.34 SWIMMING POOLS

Swimming pools shall comply with the setback requirements for accessory structures for the Zone in which they are located.

3.35 TEMPORARY HOUSING

Notwithstanding any other provision of this By-law, to the contrary, where a dwelling is destroyed by fire or wind storm, and a Building Permit for reconstruction of the dwelling has been issued by the Municipality for the subject lands, the residents may occupy a travel trailer on a temporary basis but only during the period which the dwelling is being reconstructed to a maximum of one year provided that the trailer is licensed by the Municipality.

3.36 THROUGH LOTS

Where a lot, which is not a corner lot, has lot frontage on more than one street, or more than one waterbody the setback and front yard requirements contained herein shall apply on each street or waterbody in accordance with the provisions of this By-law.

3.37 TRAILER AND/OR BOAT STORAGE

In conjunction with a single detached dwelling, the owner or occupant of any lot shall not store any boat, tourist trailer, motorized mobile, truck camper, or other similar vehicle in any yard except that two (2) such vehicles may be stored in the area between the principal structure on the lot and the required side yard or in the rear yard provided that in the case of a boat, such boat shall not exceed seven (7) metres (22.9 ft) in length and in the case of a tourist trailer, motorized mobile home, truck camper or similar vehicle, said vehicle shall not exceed ten (10) metres (32.8 ft.) and provided that such vehicle is not used for human habitation.

3.38 TRUCK, BUS AND COACH BODIES

No truck, bus, coach, sea container or streetcar body, or structure of any kind shall be used for human habitation or storage of goods and materials whether or not the same is mounted on wheels other than a dwelling unit erected and used

in accordance with this By-law, The Ontario Building Code Act and Regulations passed thereunder.

3.39 ISLANDS

All islands in the Municipality, unless zoned otherwise on Schedule A, Maps 1 to 13, shall be zoned Limited Service Residential (LSR).

a) Duty to Confirm Boundaries and Setbacks

Where a provision in this By-law allows expansion or changes to a building with legal-non-compliant setbacks or yards, such provisions shall only be exercised where the landowner, applicant or agent can confirm existing setbacks and yards of building and structures with a reference plan prepared by an Ontario Land Surveyor.

3.40 MARIJUANA (CANNABIS) FACILITIES

A marijuana (cannabis) facility shall be permitted in the Rural (RU) Zone, subject to the following requirements:

- a) The minimum lot area shall be 20.23 hectares (50 acres);
- b) The minimum separation between the marijuana (cannabis) facility and any existing residential dwelling not located on the same lot as the marijuana (cannabis) facility shall be 1,000 metres;
- c) The minimum setback from the marijuana (cannabis) facility and any lot line, private road or easement shall be 50 metres;
- d) The lot shall abut a County Road or Provincial Highway;
- e) The maximum height of a marijuana (cannabis) facility shall be 5.5 metres; and,
- f) The maximum floor area of a marijuana (cannabis) facility shall be 232.25 m² (2,500 ft²).

3.41 MINIMUM LOT SIZE

No building permit shall be issued for a *dwelling unit* on a vacant lot having less than 557 m² (6,000 ft²), unless the dwelling will be connected to a municipal water and sanitary sewer system.

3.42 POULTRY

Notwithstanding the definition of farm or hobby farm and the zoning regulations for such uses, the keeping of up to 3 laying hens in the rear yard of a lot may be permitted in any zone that permits residential use, with the exception of the SR1,

LSR and R2 Zones, provided a dwelling is located on the lot and an enclosure is in place in the rear yard to contain the poultry and protect them from predators.

3.43 PROHIBITED USES

The following *uses* are prohibited in any *Zone*:

- a) The *use* of any *trailer* for human habitation, except in accordance with Section 3.35 or where such *trailer* is located in a *camping establishment*, in a *trailer park* or in a mobile home park or is licensed by the Township in accordance with a Trailer Licensing By-law.
- b) The *use* of any *motor vehicle* for human habitation.
- c) The *use* of any *accessory building* or *structure* as a *dwelling unit*.
- d) The *use* of a truck, bus or coach body for human habitation.
- e) The storage of disused rail cars, streetcars, truck bodies or *trailers* except where legally permitted by this zoning by-law.
- f) The outdoor storage of partially dismantled *motor vehicles* or *trailers* or *motor vehicle* or *trailer* parts except where legally permitted by this zoning by-law.
- g) *Obnoxious uses*.
- h) The manufacturing, refining, rendering or distillation of acid, ammonia, chlorine, coal, creosote, explosives, fireworks, glue, petroleum or tar.
- i) The bulk storage of industrial chemicals, hazardous waste or liquid industrial waste as defined under the Environmental Protection Act, as amended.
- j) *Dryland* or *wet bathhouses*.
- k) Temporary and permanent race tracks for autos, machines or animals.

3.44 SETBACKS FOR LIVESTOCK FACILITIES

Notwithstanding any other provision in this By-law, no residential, institutional, commercial, industrial or recreational *use*, located on a separate *lot* and otherwise permitted by this By-law shall be erected or enlarged unless it complies with the Minimum Distance Separation (MDS I) formula.

In addition, notwithstanding any other *yard* or setback provision in this By-law, no *barn* or livestock facility shall be erected or enlarged unless it complies with the Minimum Distance Separation Formula (MDS II).

3.45 SECONDARY DWELLING UNIT ACCESSORY TO A SINGLE DETACHED DWELLING

Notwithstanding any other provisions of this By-law, one *secondary dwelling unit* is permitted in a *detached dwelling* in the RU, RR, R1 or R2 Zones provided:

- a) the existing *detached dwelling* has a minimum *ground floor area* of 65 square metres;
- b) the *gross floor area* of the *secondary dwelling unit* is no less than 40 square metres and no greater than 50 square metres;
- c) the principle dwelling unit and the secondary dwelling unit each have a separate means of access into the dwelling from the outside;
- d) The resultant two-unit dwelling is compliant with all other provisions of this By-law and the Ontario Building Code Act;
- e) the existing septic system can sustain both the principle dwelling and the *secondary dwelling unit*, confirmed by the issuance of a permit from the septic approval authority; and,
- f) a window opening in the *secondary dwelling unit* having an area of 0.30 square metres is located above *grade*.

3.46 WELLHEAD PROTECTION AREAS

Lands identified on Schedule A, as being subject to this sub-section are located in a Wellhead Protection Area (WHPA) as identified by the Trent Source Protection Plan. Permitted uses and regulations for lands subject to this provision shall be derived from the primary zone category shown on the zone schedule, with the exception that any activity, land use or undertaking that is prohibited or regulated under Section 59 of the Clean Water Act shall not be a permitted use unless or until such activity, land use or undertaking has been duly authorized by the issuance of a Notice by the Risk Management Official.

SECTION 4
